

April 30, 2023

Dear Alumni,

Thanks for your interest in the much-awaited reunion event on **September 02 and 03, 2023** in Dallas, Texas. The preparations are in full swing, and we need to start collecting the funds. This is important so that we can officially kick off the planning process. We are collecting "**non-refundable**" \$300 per adult which would cover the cost of food, drinks, venue, swag, etc. for the entire weekend. Please follow these instructions to assist in the registration process.

1. Determine the amount of deposit to be made based on how many adult members are attending all the activities throughout the weekend.
 1. \$300 if you are attending alone
 2. \$600 if you are attending with your spouse
 3. Add \$100 for every child that is over 18. (Children below 18 are free to attend)
 4. *If your family is joining you in Dallas and will not be attending the sessions or mealtime, they won't need to be paid for.*
